Indicate how long it will take you to complete the job. (The contractor who cleans the exterior of the building will blow out the joints, which means that the mason selected to repair and repoint the building will be able to begin immediately to tuck the joints.)

Indicate whether or not you are insured. Does your bid price include workmen's compensation, property damages and permit?

Indicate what form of payment you require.

Indicate for how long your bid is good.

Does your bid include the cost of removing all debris from the premises casued by the masonry repairs and repointing?

Indicate for how long you guarantee your work.
